

Meeker Elementary

MAY 2017

Principal's Paragraph

I can't believe it is already May! We have had such a great school year. I'm privileged to get to share in your children's education!

With the last month of school, there are so many events on the schedule. Even though there is a lot planned, there is still lots of learning to do before we round out the school year. Please keep up-to-date with this newsletter and the school's Facebook page as we will try to keep everyone informed!

With summer right around the corner, please talk to your children's teacher to see the best way to keep up with learning over the summer. There are so many good books to read and for some students, summer school is a great way to keep skills fresh.

As always, if you have any questions, concerns or comments, please do not hesitate to call, write or come by. Your kids' teachers and I always appreciate hearing from you!
